

## **ANNOUNCING: THE GATE OF HEAVEN MEMORIAL GARDEN**

This garden is being created in memory of those who have been part of the Camp Care community, who have inspired many, and have returned home to heaven.

These children and individuals have courageously persevered and they remind us what really matters in life. They have given of themselves in small and big ways to impact our lives and our hearts! Although it often appears their years with us were too short, they will be lovingly remembered.

This is a unique opportunity for the community to be part of this legacy. Your donation will help to complete this Garden, and give to the Camp Care programs that enhance the lives of those who shine brightly, despite their special needs.

*The Camp Care Mission is to help children with special needs reach their highest potential in physical and cognitive function while enhancing self-esteem and emotional growth.*
